Opening a Munsiff's Court at Birur.

Messrs. Kharidi Ramanna and K. Mallaiyya, Kadur Taluk.

Summary of Representation.

Birur is a lage town of commercial importance. A Munsiff's Court may be established at the place and the Munsiff invested with magisterial powers.

1) "Seeta rolls" Unnecessary

2) Chief Judge. " So far as I see at present the only way of meeting this request would be to remove the Narasimharajapura Court, or that at Shimoga, to Birur; but seeing that the distance from Shimoga is not great and there is a railway, I should prefer to keep the Court at Shimoga rather than remove it. the Narasimharajapura court could be moved but probably that would give rise to its own inconvenience, I do not support the representation"

"An additional munsiff's Court for the Division is, I think very necessary in order to afford some relief to the Sub-Judge & the munsiff of Shimoga who are both overworked particularly the former. Where the extra court should be located is a question that may be considered after the willingness of Govt. to sanction one is ascertained. No extra Court will be necessary if the one at Narasimharajapura can be shifted elsewhere.

4) Hon. Justice Paramasiva Iyer

Narasimharajapura a Court may be abolished and a Court established at Tarikere. Narasimharajapura is connected by Tramway with Tarikere & this will be convenient to all parties".

6) The Munsiff Court at Narasimharajapura was re-established at the request of the people of Koppa taluq who persistently agitated for the same. If the policy of the Govt is to locate a Court in the heart of the malnad, the present court at Narasimharajapura may not be disturbed. In that case, Tarike may not be a suitable place for another court.

7) It is a point for orders whether the establishment of an addl Munsiff Court is necessary. After this is decided the selection of a suitable place may perhaps be taken up.
